10:00 tomorrow would be great, but if it snows I imagine there will be a fair amount of flexibility… let me know

Tuesday might be perfect due to the snow forecast. Meetings will get cancelled and creates lots of flex for me. You?

Mark,

I have a couple of items I would like to discus with you when you have a few minutes… Mainly the swing space, and a question on the TI usage in the HQ… can you let me know when a good time to discuss would be early next week?
